## FOR IMMEDIATE RELEASE

### CLOSURES SCHEDULED ON PACIFIC COAST HIGHWAY FOR PAVING WORK (UPDATE)

**VENTURA COUNTY** – The California Department of Transportation (Caltrans) will close various northbound and southbound lanes on Pacific Coast Highway, starting at the county line and proceeding west, June 6, 7, and 8, between 6 p.m. and 6 a.m., for pavement work, weather permitting. At least one lane will be open for alternating traffic for both northbound and southbound travel. The closure schedule is as follows:

- Monday, June 6 - Yerba Buena Road to Deer Creek Road.
- Tuesday, June 7 - Yerba Buena Road to Deer Creek Road.
- Wednesday, June 8 - Deer Creek Road to Sycamore Cove Road.

Caltrans advises motorists to reduce their speed to 25 mph in the construction zone. Motorists are advised to expect traffic delays. Pilot cars may be used as needed to guide cars through the construction area. Flaggers will be in place when pilot cars are used.

The \$ 3 million resurfacing project will result in a smoother riding surface for motorists and will extend the life of the road. The project completion date is approximately September 2005.
